

3591 Paris Pike
Improvements since purchase

Other than the obvious things you can see, the property has:

1. One mile of new four board fence.
2. White color for all new and existing fence.
3. Three bottom aerators for ponds.
4. All columns on the main house (front and back) have been repaired and repainted.
5. Three new light fixtures for the kitchen.
6. Pool house painted inside and within the pool area (all new speaker covers).
7. Pool has been painted and sealed.
8. New landscaping and removal of damaged shrubs and trees.
9. New gate mechanics installed with new feedback loops.
10. 15 new windows.
11. Barn has been sanded (all interior) and stained.
12. New waterers installed in horse field (2).
13. New copper flashing along roofline of house.
14. New stone floor in basement.
15. Exterior of barn painted.
