

# 2377-A MAYSVILLE ROAD

## Carlisle, Nicholas County, Kentucky

### 270 +/- Acres

Productive farm on the Lexington side of Carlisle. This farm, which dates back to a land grant from the 1700s, is comprised of excellent numerous grazing sites for a cow-calf operation of approximately 85 pair and tree-lined creek areas accompanied by picturesque bottoms. It is bounded on two sides by Brushy Creek and has three automatic waterers (which have never been used) and has excellent perimeter fencing and three very serviceable barns and corn crib. There are bottoms and hillsides that produce more than enough hay to support the livestock.

This farm has been leased for 18 years to an experienced farmer who has done an excellent job in maintaining it.
