

1275 SPRING STATION

84.59 Acres

Midway, Woodford County, Kentucky

Take advantage of this opportunity to purchase a parcel of land which is very seldom offered for sale! In most cases, this land would be passed from family member to family member and not offered to the public sector.

This 84 acres, located outside the charming town of Midway, is known to be the best soil in the United States for developing horses. Historically, this land would have been included in the description “the cradle of the horse industry” because of the champion horses which were raised within this area in the past as well as what is being developed today.

The neighbors are Fawn Leap, Dubai Millennium, Blackburn Farm, Hurstland, and Nuckols Farm. Nearby is Airdrie, Lane’s End, Gainsborough, and Stonestreet—all producing top-class horses from pastures and soils exactly like this 84 acres.

Create your champions and write your own history on this wonderful piece of land.
