Wildflower Ranch Inn is an Italianate Manor House that sits on 6.82 acres in Washington County and is surrounded by 360 degree views. The house was built in 1871 and has been beautifully renovated with attention to period detail. Currently, it is operating as a Bed & Breakfast called, Wildflower Ranch Inn, however, it has previously always been a single family residence. A two story addition was completed in 2000— adding a gourmet kitchen with all the bells and whistles, a laundry room, powder room and a spectacular primary suite with luxury bath. Directly above the primary suite is an equally sized modern suite.

The house features 8200+/- square feet of living space, with new Pella double pane windows throughout. There are graceful 11' foot ceilings throughout plus a lovely illuminated tower. Original 150-year-old poplar wood floors complimented by new contemporary marble, travertine, and ceramic tile floors in newer areas. Period trim and woodwork, and original crown molding, built-in shelving and cabinets seamlessly transition into newer wainscoting and wallpaper. These are just a few of the spectacular details in this home. There are two full staircases, 6 fireplaces— 5 with ventless gas logs. Multiple covered porches and stone patios add to the ambiance of this lovely property.

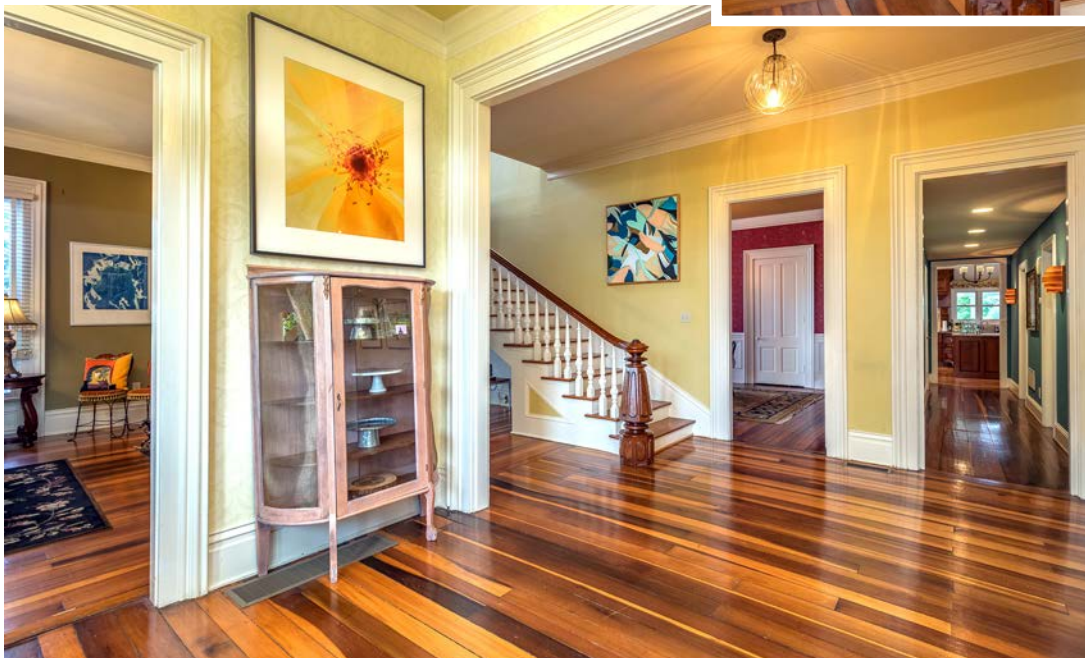

In addition, a covered breezeway leads to the 3 car garage and 1495 square foot pool house with a full kitchen, great room, wet bar, full bath, large loft bedroom and covered porch overlooking the 20' x 42' x 8' deep in-ground pool. A new pool liner will be installed in June 2022.

The property is within a half mile of the Lebanon-Springfield Regional Airport and at the mid-point of the Kentucky Bourbon Trail. For those interested, some furniture and the Bed and Breakfast business can be purchased separately.

Lead Warning Statement

Every purchaser of any interest in residential real property on which a residential dwelling was built prior to 1978 is notified that such property may present exposure to lead from lead-based paint that may place young children at risk of developing lead poisoning. Lead poisoning in young children may produce permanent neurological damage, including learning disabilities, reduced intelligence quotient, behavioral problems, and impaired memory. Lead poisoning also poses a particular risk to pregnant women. The seller of any interest in residential real property is required to provide the buyer with any information on lead-based paint hazards from risk assessments or inspections in the seller's possession and notify the buyer of any known lead-based paint hazards. A risk assessment or inspection for possible lead-based paint hazards is recommended prior to purchase.
